MEMORANDUM

To: The Honorable Mayor and City Council

From: Dr. Danny O. Crew, City Manager

Re: Interlocal Agreement with Miami-Dade County for Building Better Communities Bond Program – Bunche Park & Pool

Background:

On November 2, 2004, Miami Dade County residents approved the Building Better Communities General Obligation Bond (GOB) Program. As a result, the City of Miami Gardens will receive approximately \$9.83M over the next five years, which covers the design and construction for seventeen (17) park projects.

The Administrative Rules for the Building Better Communities Program have been established and approved by the Board of County Commissioners. As a condition of the bond program, the City must enter into an Interlocal agreement with Miami Dade County which sets forth the responsibilities and duties regarding the administration of the approved project and approved funding Allocation. The agreement specifies the projects' timeframes, payment terms, budget changes, etc.

The attached resolution requests the authorization of the City Council to allow the City Manager to enter into an Interlocal agreement for the disbursement of approximately \$33,000 from the Series B Bonds towards ongoing construction costs.

RECOMMENDATION: It is recommended that the City Council approve the proposed resolution and Interlocal agreement between the City of Miami Gardens and Miami-

Dade County for the project titled "Bunche Pool" in relation to the Building Better Communities General Obligation Bond.
